Our Vision for our Customers ... **is for them to achieve profit from their cow herd.**

Dick Loonan and his daughter, Judy, began the Loonan Stock Farm venture 48 years ago with a vision to help their customers achieve the most profit from their cow herd. The loyalty of their customers is a testament that they have accomplished that goal and more.

Today, Judy and herdsman, Rick Thompson, continue to buy the best Red Angus and Simmental genetics available, expecting calving ease with rapid growth and good marbling and ribeye area.

Join Loonan Stock Farm on Saturday, February 4, to evaluate bulls that will add profitability through calving ease, performance and carcass merit.
